Web Core Screens

The image displays five screenshots of the Spotlighter web application, which is designed to facilitate feedback exchange between colleagues.

- Home Screen:** Shows a dark-themed dashboard with a greeting "Hi! Jessie 🙌". It features a circular grid of five user profiles. One profile at the bottom right has a yellow checkmark and a yellow circle with a plus sign, indicating it's selected or ready for interaction.
- Feedback Overview Screen:** Displays a summary of received feedback. It includes a chart showing the number of tags received (10 tags) and a list of recent feedback messages from colleagues like Alice Smith, Taylor Brown, and Tom Lee.
- Ask for Feedbacks Screen:** A form for sending feedback invitations. It asks for the number of tags (10 tags), specifies the recipients (Jacob Mac, Brian Smith, Julia White, Anna White, Alice Chan), and allows specifying a project and skills to evaluate (Leadership, Communications, Creativity, Multi-tasking, Expertise, Efficiency, Time Management).
- Feedback Details Screen:** A detailed view for a specific colleague, Julia Wong. It shows her profile picture, a summary of feedback (66 feedbacks received in last 1 week), and a chart showing the distribution of feedback tags (Leadership: 3, Time Management: 5, Communications: 6, Efficiency: 4). It also includes sections for giving suggestions and customizing tags.

你，认识流动儿童吗？

每100个儿童就有**13**个流动儿童

每100个城镇儿童就有**25**个流动儿童

流动儿童最多的省份是**广东**

我们的发现

! 安全

广州的流动儿童通常跟随父母居住在电线交错、有很多安全隐患的城中村握手楼的出租屋内；因为城中村改造，街道里很多建筑工地，孩子们经常在附近玩耍，十分危险。

因为父母外出工作，孩子无人照料时经常喜欢外出游荡，流动儿童被拐卖时有发生；在小石头社区里，我们经常发现一些流动儿童在附近的商场里玩扶手电梯，上上下下，跳来跳去，极为危险。

因为出租屋空间狭小，我们所调研的小石头社区内有近一半流动儿童曾亲眼看到或听到过父母的性生活，而大多数父母没有对孩子进行性教育的意识。有家长称孩子曾遭到性侵害却不知，更不敢告诉父母；据调查显示，2009年到2012年，广东省有超过2500名女童被性侵，近半在14岁以下，其中大多数属流动女童。

! 教育

目前在广州市的流动儿童就学渠道，主要有以下几种：

- (1) 进入公办学校借读；
- (2) 进入民办私立“贵族”学校；
- (3) 在简单的流动儿童学校（又称打工子弟学校）

在小石头社区，在随机采访的30名流动儿童中有近半流动儿童不知道少年宫是什么东西……

广州市目前有783所公办小学，153所民办小学，一年级可提供约12万个新生学位。非广州市户籍的流动儿童想要入读教学资源相对优质的公办学校，有以下途径：

- 1、是政策性照顾借读生
- 2、满足一定条件：如五年有效居住证、五年社保、没有超生或者曾获得优秀称号等
- 3、积分入学

我们在凤阳社区随机询问了30名带着小孩的进城务工人员，仅有2人听过积分入学政策，其中一人即使知道该政策，也声称：“睡个唔使霖啦！（这个就别想啦！）”积分入学政策惠及的仅仅是条件不错的外来务工人员，对于低收入人群，想要“积分入学”，希望渺茫。

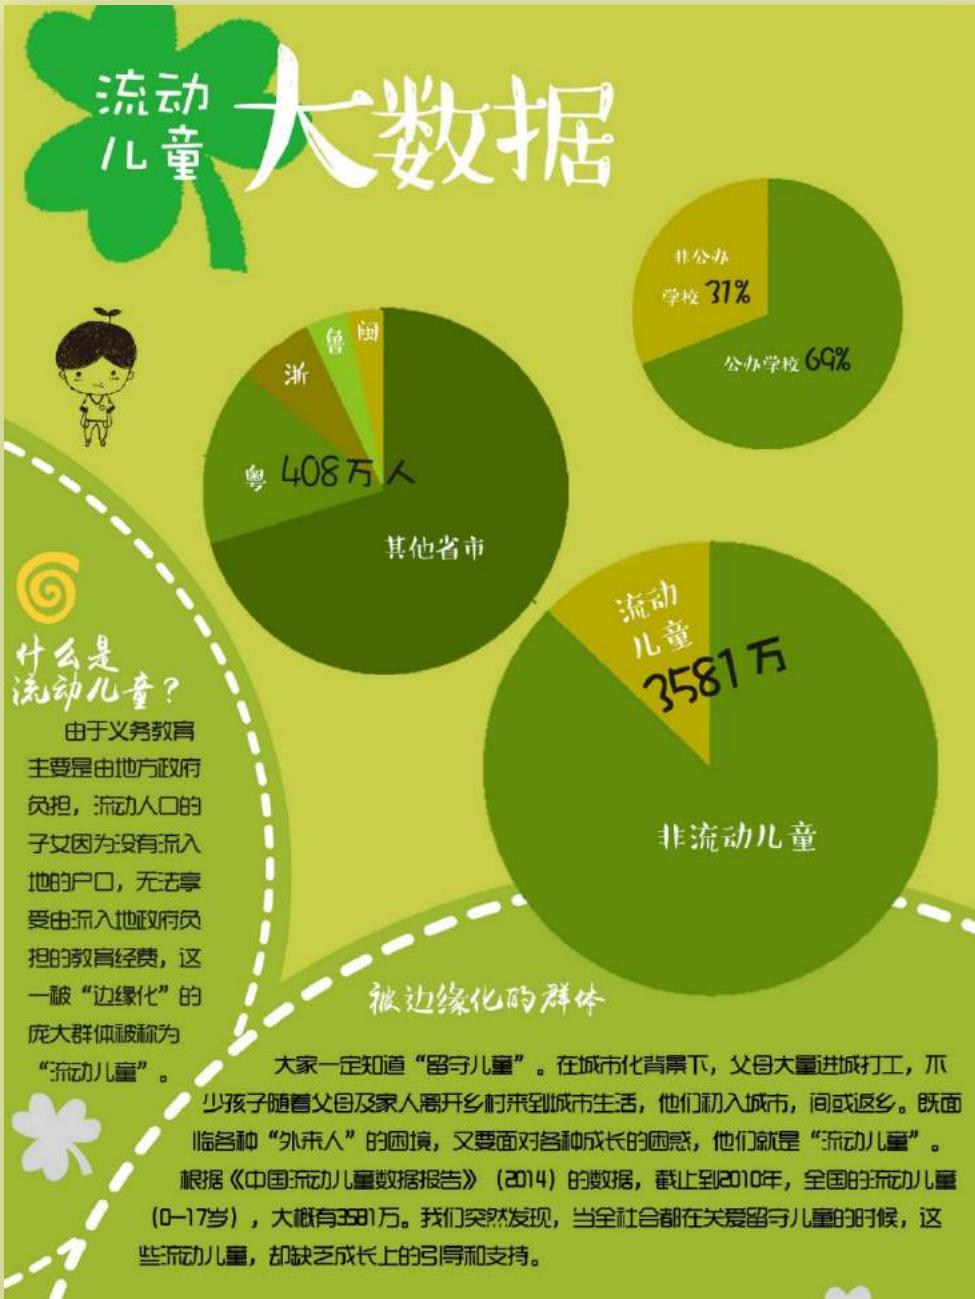

流动儿童所享受的教育资源相对匮乏，如何提高他们的阅读能力、学习能力甚至创新能力，需要更多社会热心人士的积极探索与支持。

? 肚么办

针对这些问题，社会上已活跃着一批热心人士，他们“八仙过海，各显神通，运用各自所长探索出很好的方法，为城市的“小候鸟”带去一片美好的蓝天。（点击图标看看各大流动儿童公益组织的IDEA）

▶ 流动儿童新闻信息图

这些信息图是为流动儿童现状报道设计，包括统计数据、儿童的安全和教育问题。地图突出说明广东省是流动儿童最多的省份，同心圆和数字来直观地显示流动儿童占城镇儿童百分比。

▶ 流动儿童新闻信息图

这张信息图为广州流动儿童社会研究所提供。他们在调查广东省流动儿童的现状。图表显示了流动儿童的概念和人口统计。

同心圆表示农民工子女数量比和他们享受的教育资源百分比。

我的梦想：投身公益

做公益这几年，我结识了很多公益圈的朋友，并明白了“为什么女人那么累”，从小困扰自己的问题，找到了原因所在，原来是社会性别分工的问题。也因此，我对女性同胞有了更多的理解，更懂得包容了，不会再轻易跟主流的观念辩论或贬低某些女性同胞，工作和生活中，也懂得了换位思考。

公益让我学会更多地理解家人、宽容家人，学会了换位思考，解决了很多生活矛盾，非常感谢我的公益引路人。生活中遇到的一些大的困难，我会和家人一起想办法解决。另外，有时候我们也会与社区的邻居一起想办法解决问题，看我们是否面临同样的问题，可以一起想办法解决，比如孩子的照看问题，看我们是否可能通过相互帮助照看小孩来解决。

有这样一批活跃在公益机构的公益人，她们曾经是一线女工，工友经历的酸甜苦辣，工伤维权，她们都悉数经历；她们如今埋头在劳工机构，为工友的权益奔走；她们同时还是母亲，有自己的一个家庭需要照料；她们“老吾老以及人之老，幼吾幼以及人之幼”，互帮互助，在打工之余不忘陪伴她们亲爱的“小候鸟”，为他们举办丰富多彩的活动，竭尽所能给流动的孩子一个快乐的童年……

她是邹家俊，湖南人，2001年开始外出打工；广州番禺向阳花社工服务中心社工，打工妈妈互助中心发起人。今天，我们来听听她的故事……

我的生活：“小候鸟”的妈妈

作为一个女工、妈妈，生活方面我所面临的最大问题就是孩子的照看问题、上学问题、父母养老问题，我先是在父母身边照顾她们，而过高的生活成本又不允许我们把她们接到城市里来。户籍制度的问题让我们孩子上学上，同时我也不愿意把孩子送回老家，我自己有过的在老家做留守儿童的经历，知道那种恐惧和害怕，它会导致孩子长大后不自信、和父母生疏冷漠以及隔代教育也会给孩子带来各种问题。

我的宝贝

女儿：妈妈，你如果不生我就好了。
我：为什么？
她：你不生我，你就不会老了呀！
我：不止你还是会老的，人随着年龄的增长就会慢慢变老，不然妈妈就会变成老妖怪。

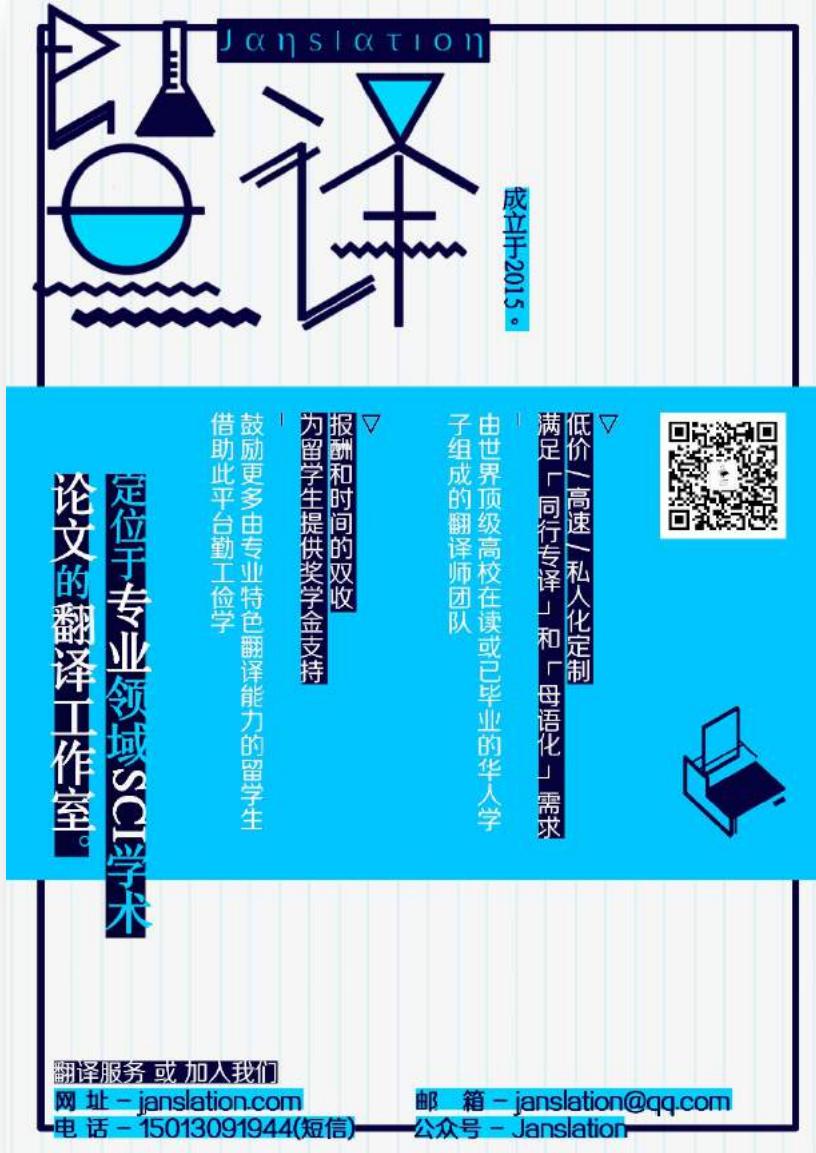

无论是后浪们，孩子都拥有一双清澈的眼睛和透明的心灵……

打工妈妈互助中心海报设计

这是社区公告栏海报为宣传广州市番禺石基村打工妈妈互助自助中心的创始人陈阿姨好人好事事迹而设计。打工妈妈互助中心是由陈阿姨发起的基层互助服务组织。

对于流动儿童及其家庭存在着的诸多问题，如子女的教育和安全问题，打工妈妈要携起手来共同解决。

因此，陈阿姨发起了互助中心，包括日常托管和公共管理。

► 暨译论文工作室海报

这张海报为宣传暨南大学论文翻译工作室设计。

由于译者主要是海外学子，而暨南大学自古以来便与水息息相关 – 有水的地方就有暨南人，因此我用蓝色作为海报的主色调，同时也表示学术论文翻译的严谨性和准确性。

字体的设计：玻璃管代表高等教育；船帆代表在知识海洋上航行；曲线表示暨南大学与水有关，意味着暨大的学生来自世界各地，所谓“溯南暨，声教讫于四海”，意即面向南，将中华文化远播到五洲四海。

► 电子杂志设计

《一路童行》是一本可以在IPAD上浏览的数字电子杂志，旨在宣传在广州为流动儿童的社区公益组织。

我曾在番禺石基村打工妈妈互助中心和微辣青NGO担任志愿者，为流动儿童夏令营化装舞会拍摄照片。

封面上的孩子们都是在城中村长大的流动儿童。公益组织没有充足的宣传经费，因此我为他们免费设计了公益电子杂志作为宣传渠道。

番禺打工妈妈互助中心

邹佳俊（左一）是番禺打工妈妈互助中心的发起人，在微辣青年大学生志愿者、番禺区绿石头社区公益服务中心、番禺区慈善会和春桃慈善基金会的支持下，她和其他打工妈妈一起为孩子们举办了一场别开生面的结营晚会。

Let's embrace creation and imagination

While I was struggling about buying what to eat in blue bottle café, a man entered. He was Tom, a beefy gentleman with glistering silver hair and blue eyes. Being a lawyer and teacher in America, he is now a JNU teacher who has been working here for 4 years. He is an energized person (and I hope there are more energetic teachers like Tom in JNU!).

PIONEER: Are there any differences between Chinese students and American students?

Tom: I don't see any difference as both of them are smart and creative. Sadly, Chinese students lack the training of critical and creative thinking. If they are provided with the space to imagine and create, I am sure they have the potential to perform in an outstanding manner.

PIONEER: How to trigger students' imagination and innovation?

Tom: I have asked my students to tell a story about a picture provided. At the beginning they were perplexed, and some of them just directly described what they saw in the picture. To my surprise, after several lessons like that, they started to know how to create a funny story with their rich imagination.

PIONEER: Please describe a Chinese student that impressed you most.

Tom: During a lesson, I crushed the empty paper into balls and threw them to the students for fun and they really enjoyed the play. However, when I threw the paper ball towards a student, he was wrathful. Later he explained that in his childhood he was insulted by his teacher who crushed his exam paper into a ball and threw onto his face, adding that he was a stupid student. He knew I don't really mean that but he just couldn't help. Many parents and teachers use insult and punishment as a tool to educate, but it is totally detrimental to a student's psychological health and development.

PIONEER: Let's talk about learning English. Many students practice oral English by reading vocabulary or passage aloud in public area. Is it an effective way?

Tom: Reading aloud is useful especially during class so that rectification from lecturer is possible to take place. There are some common pronunciation mistakes students frequently make, such as pronouncing 'th' into 'f' or 's', changing the word threat to 'freat'.

PIONEER: Then what is the best way to practice oral English?

Tom: Definitely the conversation. Very often, students are too shy or embarrassed to speak loudly, partly because of not wanting to be teased about. The less they speak, the worse their oral English gets, and this is just a vicious cycle. What they need is simply making friends with foreigners or forcing themselves to speak in English all the time, not only in classroom but everywhere.

During the conversation, I realized that Tom has been striving to help and educate students in an innovative way. Everyone needs an inspiring teacher like him. He is like a torch in darkness, leading student to the road of success. So, if you are lucky enough to attend his class...

equipment, enhance their professional skills and knowledge. Hopefully, after listening from him, our friends from the other side of earth would become our family in Jinan University. Ms Priya from Indian company expected the MBBS students to contribute to the society. Preety, who traveled from Canada to do her medical study, is a representative of the student of MBBS. She shared her experience and gave freshmen words of cheers, though far from their hometown, she believed that they can devote their hard work

Ms Priya from Indian company also came to enjoy this welcome party.

The party started our school song. Then Dean Wang Li Wei went on the stage and encouraged students for their six-year medical study. He said that he hope the MBBS freshmen could become accustomed to the life in China especially in Jinan University, and he also advised students to effectively utilize the university's resources and advanced

to medical progress.

After the speech from Ms Priya, the student from 15MBBS did the divine Hippocratic Oath:

The moment I step into the hallowed medical institution, I pledge solemnly I will volunteer myself to medicine with love for my motherland and loyalty to the people.

I will scrupulously abide by the medical ethics, respect my teachers and discipline myself.

I will strive diligently for the perfection of technology and for all-round development of myself.

I am determined to strive diligently to eliminate man's suffering, enhance man's health conditions and uphold the chasteness and honor of medicine.

I will heal the wounded and rescue the dying, regardless of the hardships.

I will always be in earnest pursuit of better achievement.

I will work all my life for the development of the nation's medical enterprise as well as mankind's physical and mental health.

Their determination to dedicate their life to the medical inspire all the teacher and student.

And then was the lion dance by former MBBS students. The lively lions performance earned warm applause from the audience. Then the beautiful sound of erhu also attracted them. It seemed Chinese traditional culture was fresh for Indian students, and the dedicate harmony showed them the history of Chinese music.

A cheer was getting louder during the three beautiful Indian girls' traditional dance. The Indian dresses were more suitable with the unique dance. MBBS students showed the audience not only traditional performance but also singing and modern dance. They sang Indian song and English song with amazing voice and group dances hotted up the hall.

MBBS welcome party was ended with excitement. The MBBS students enjoyed fresh Chinese culture and showed unique Indian culture and their great talent.

MBBS Welcome Party

On December 3th 2015, the welcome party hosted by MBBS started at 7 o'clock in the evening. MBBS stands for Bachelor of Medicine and Bachelor of Surgery. Many foreigners, mostly Indian, are devoting into this course. Despite raining and the cold weather, the room101 in the management building was filled with freshmen who were expecting the party. And their warmly welcome will be the very first image for those people who travel far from

A Beautiful Accident

--AIESEC Report for Sri Lanka

When I have the real experience from a city or a country, then I can understand how simple the introduction on Internet is. And it is the same case in Sri Lanka. But the people became a beautiful accident for me.

Part 1 Aunty

When I knew aunty has was 56 years old, it really surprising to me. Knowing everyone's age is not easy to predict, especially from a lady. However, it is easier to predict only after I could feel it from her by her understanding and warm-heartedness. And if we ever arrived home late, she would call us and ask where we are to ensure we are safe.

Part 2 Hang on to the Door

It was a little far away from house of aunty to the workplace.

Thus, we had to take bus to go to work every day, in which we spent one and half hour in bus. But, as a foreigner, getting the skill of taking bus was a difficult thing. Because, different number, section, and color of bus had different ways to go. We got on wrong bus many times. However, even in the wrong bus, we knew there were many nice people who can speak English and helped us out of trouble.

There was another thing to move me. Local people were honest to each other. Hence, if someone with backpack or something heavy stands in the bus, the people sitting will help to hold the things.

✓ By the way, you can hang our legs out the door on bus or train if you want. That was really a cool thing I did in Sri Lanka.

Part 3 The Red Cross

Red Cross was our workplace, and there were many memories happening there. Everyone is friendly including the boss. One day, we waited the bus for a long time, but the bus still did not come to the station. Then boss saw us and picked us up to the station where we transferred.

Most of the colleges have graduate degree of foreign university. Most of them had studied abroad. Thus, there are many cultures gathering on them. They can understand you easier than others.

✓ Because of famous red tea and perfect mike, local people created the milky tea.

Part 4 A Kingdom Owning Sea and Mountains

Sri Lanka is a sea island. It just needs 10 min by TUTU (taxi in Sri Lanka) to arrive the beach from the house we stayed. All beaches were free. The feeling of washing feet by waves and freedom of hugging sea was the special thing that I can't enjoy in China.

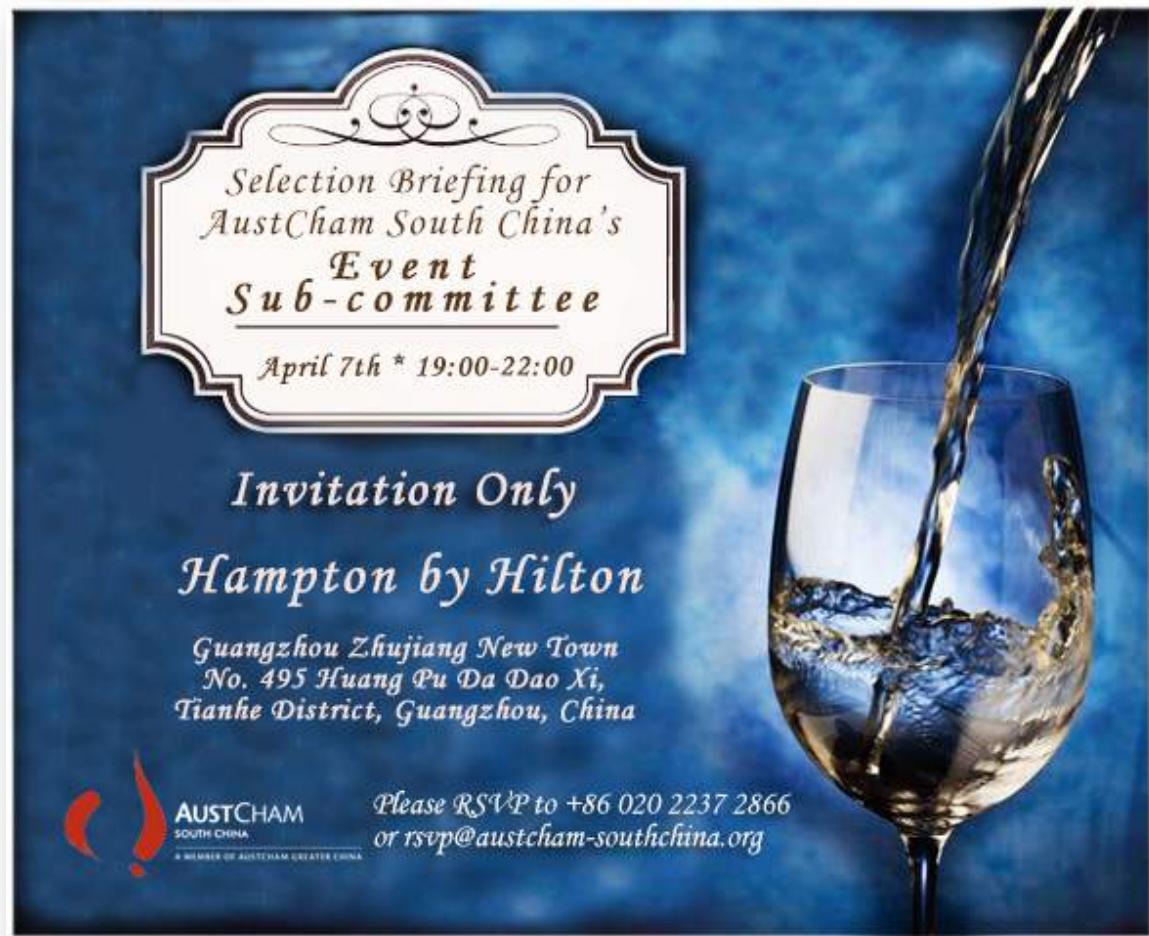

✓ Although Sri Lanka is a sea island, it owns many mountains in middle area, which suits the growth of tea. Thus, there were many tea gardens here.

Part 5 Thanks to Everybody

All of us in auntie's house were Chinese, and we could get along well with each other. Due to staying in a foreign country, we understood taking care of others, which made us to have a profound friendship. Yes, meeting them all was the most beautiful accident when I was in Sri Lanka. Thank you so much!
